Dr. Rishi P. Singh MD is a staff surgeon at the Cleveland Clinic Florida, Professor of Ophthalmology at the Lerner College of Medicine, and President of Cleveland Clinic Martin Hospitals in Stuart, FL. He received his bachelors and medical degrees from Boston University and completed his residency at the Massachusetts Eye and Infirmary Harvard Combined Program in Boston, Massachusetts. Dr. Singh then completed a medical and surgical fellowship at the Cole Eye Institute in Cleveland, Ohio.

He specializes in the treatment of medical and surgical retinal disease such as diabetic retinopathy, retinal detachment, and age-related macular degeneration. Dr. Singh has authored more than 200 peer reviewed publications, books, and book chapters and serves as the principal investigator of numerous national clinical trials advancing the treatment of retinal disease. Dr. Singh is the former president on the Retina World Congress and is on the board of the American Society of Retina Specialists. He is a frequent invited speaker at national and international meeting as well as continuing medical education seminars. Dr. Singh maintains a strong relationship with drug development and commercial entities by serving on scientific advisory boards.

Prior his presidency, Dr. Singh has served numerous enterprise-wide roles at Cleveland Clinic. He was the former medical director of multiple Epic applications, a member of the Board of Governors, and physician lead for coding and documentation for Cleveland Clinic.
