

# AES

Atlantic Eye Symposium

Dr. Anastasia Neufeld completed her medical school at the University of British Columbia, her residency in ophthalmology at Dalhousie University and her neuro-ophthalmology fellowship at the John A. Moran Eye Centre at the University of Utah in Salt Lake City. She has done multiple podium presentations at the Walsh Meeting, North American Neuro-Ophthalmological Society Meeting, Canadian Ophthalmological Society Meeting and Western Intermountain Neurological Society Meeting. Her academic interests include surgical teaching in ophthalmology, idiopathic intracranial hypertension, optic neuropathy and autoimmune neuro-ophthalmic conditions.
