Dr. Amandeep S. Rai MD FRCSC is a comprehensive ophthalmologist practicing at the University of Toronto with a special interest in cataract surgery, biometry, and intraocular lens design. He serves as the Residency Program Director for the Department of Ophthalmology & Vision Sciences at the University of Toronto and the Co-Director of the TORIC course, a 6 week basic sciences courses attended by all PGY1 residents enrolled in Canadian ophthalmology training programs. He has published and presented on cataract complications nationally and internationally, including at the ASCRS and AAO meetings. For his contributions to medical education, he was recently awarded The Association of Canadian University Professors of Ophthalmology (ACUPO) Leadership award at the 2024 COS meeting.
